Rich,

As we mentioned on the weekly VTC on Tuesday, we're getting closer to issuing proposed UIC permits for the Dewey-Burdock project in South Dakota. The Region 8 UIC program has started work on scheduling public hearings in the April/May timeframe. Avi was briefed on the project, but Kevin has not been briefed. I've attached a briefing paper for OGC's consideration. If you think Kevin should be briefed, we're happy to do that.
